To whom it may concern

TOKAI Holdings Corporation  
Katsuhiko Tokita, President & CEO  
(Code No. 3167 Tokyo Stock Exchange First Section)

## **The number of lines of "AWS connection service" exceeds 1,000**

TOKAI Communications (hereinafter TOKAI COM), a wholly owned subsidiary of the Company, has exceeded 1,000 lines connected to the cloud computing service provided by Amazon Web Services (hereinafter AWS), which is the number one in the country (according to our research). , And the connection service to the Osaka region, which has been made a full region announced by AWS the other day has started.

TOKAI COM offers a wide range of IT services for individuals and corporates. In corporate IT services in particular, it has been supporting the use of AWS by many customers to date, providing all stages of AWS services on a one-stop basis, from implementation consulting to infrastructure construction, line connection, monitoring and operation.

TOKAI COM will continue to make full use of Group's data centers, wide area fiberoptic networks, and system development capabilities to provide comprehensive ICT solutions to the society.
