Awarded "AWS Digital Workplace Partner of the Year"

TOKAI Communications (hereinafter TOKAI COM), a wholly owned subsidiary of the Company, received the "AWS Digital Workplace Partner of the Year" at the AWS Partner Network (APN) Award 2020 announced by Amazon Web Services (AWS) on March 23, 2021.

The "AWS Digital Workplace Partner of the Year" recognizes partners who have made outstanding achievements in providing and operating solutions that enable effective and secure remote work and business continuity. In 2020, as work style reforms and telework progressed significantly, we received the award in recognition of our ability to support the business continuity of many customers through the provision of Amazon WorkSpaces implementation support services.

TOKAI COM offers a wide range of IT services for individuals and corporates. In corporate IT services in particular, it has been supporting the use of AWS by many customers to date, providing all stages of AWS services on a one-stop basis, from implementation consulting to infrastructure construction, line connection, monitoring and operation.

TOKAI COM will continue to make full use of Group's data centers, wide area fiberoptic networks, and system development capabilities to provide comprehensive ICT solutions to the society.
